4. Please check if the plug-in was successfully installed or not.

Picture 4

5. Restart Safari to enable the plug-in.

The image shows a web-based login interface for a Foscam Indoor Pan/Tilt IP Camera. The interface is centered on a light gray background. It features a white rounded rectangle containing the following fields: 'Username' with the text 'admin', 'Password' (empty), 'Media Port' with the text '10028', 'Stream' with a dropdown menu showing 'Main stream', and 'Language' with a dropdown menu showing 'English'. A 'Login' button is located at the bottom right of the white rectangle.
